

Keep Reading

READING FOR YOURSELF

Choose one book from **READING BUGS** on **ACTIVE LEARN** and plan your reading over a week or two week period. For example, if the book has 150 pages, over 10 days, you could read 15 pages a day to complete the book. Answer the questions as you read the e:book.

LISTENING TO READING FOR PLEASURE

Also, check out your class story on **SeeSaw** and listen to a teacher read your class book

Keep Communicating

Watch 'Tabula Rasa' on the link below:

<https://www.youtube.com/watch?v=>

Mon: Describe the Alien Landscape (0:09).

Tue: Describe The Robot (0:17).

Wed: Plan the story from The Robot's perspective.

Thu: Write the story from The Robot's perspective.

Fri: Get someone else to read your story. Edit and improve.

Write like a Year 4 writer including:

- A range of fronted adverbials and conjunctions;
- Interesting and unusual vocabulary;
- Similes and personification;
- Correct use of punctuation.

Practise your Spellings

Day	Words for the week: naughty notice occasion occasionally often opposite ordinary particular peculiar perhaps
Monday	LOOK, SAY, COVER, WRITE, CHECK Write down your words once. Then, one at a time, LOOK at your word, SAY your word, COVER your word, WRITE your word and then CHECK your word. Did you get it right? Tick it if you did. If you didn't, look carefully where you made a mistake and underline or circle this part. Write the correct spelling and circle or underline the part you need to remember.
Tuesday	Dictionary Detectives Find out the meanings of this week's words. Record them in your book in a way that will help you remember. You could use pictures, diagrams or even draw a comic strip about one of the words.
Wednesday	Pyramid Words Write each word in the shape of a pyramid. The first letter should be at the top of the pyramid.
Thursday	Draw Your Words Write your words using your art skills. You could use a fancy handwriting style or use bubble writing. You could write each letter in a different style or a different colour.
Friday	Ask someone in your house to test you on your words. How well did you do? Write down any words you still need to learn and make a list of words to keep practicing.

Practice your Arithmetic

Monday	Create a 3-digit number. Round it to the nearest 100. Repeat this four times.
Tuesday	Create a 4-digit number. Round it to the nearest 1000. Repeat this four times.
Wednesday	Choose three numbers between 1 and 9. Multiply them together. Repeat this four times.
Thursday	Create a 4-digit number. Subtract 1000 from it. Add 225 to it. What is your new number? Repeat this three times.
Friday	EITHER practice the operation you find the most challenging OR try to teach another member of your household how to do one of them, explaining and showing them a step at a time.
